Dear Parent/carers,

We have been working with your children in school looking at the school beliefs and behaviour. The School Council has been actively involved in reviewing the beliefs with Miss Proctor and year 5 children have worked with Clare Cavanagh from the Local Authority exploring sanctions and rewards. Staff have worked together to draw up an amended set of beliefs and visual behaviour charts that are understood by all the children. We aim to keep you informed if we have concerns about your child's behaviour in school but also to ensure that praise and rewards are in place for children who consistently make the right choices. My thanks to the children and staff who have worked so hard on this project. The suggested beliefs are:

*St Mary's is a **caring** school and we all agree that ...*

-  *We will be **friendly***
-  *We will be **helpful***
-  *We will be **truthful***
-  *We will **work hard and try our best***
-  *We will show **respect***

*..... and we will **look after our school.***

Please find attached the updated behaviour chart we are using in school.

Yours sincerely,

Helena Farmer

Headteacher
