

# Year 6 Spring Term

We would like to welcome all the year 6 children back to school and hope everyone had a peaceful and enjoyable Christmas and New Year.

Below is a rundown of the topics we will be studying this term. We really enjoy it when children learn independently out of school, so if there are any opportunities to extend their learning in any of these areas then please encourage and help them to do so. We particularly enjoyed the homework we received from the Hobbit topic and will give the children another opportunity to shine with a similar project based homework in our topic this term.

	First half term	Next half term
Literacy	SPOOCS	SPOOCS
Maths	SATs revision including; fractions, ratio and proportion, algebra, measurement, geometry, place value and statistics.	SATs revision including; fractions, ratio and proportion, algebra, measurement, geometry, place value and statistics.
Science	Electricity	Electricity
Topic	Kings and Queens from 1066	Extreme Weather
P.E	Tag Rugby and Real P.E	Tag Rugby and Real P.E
SEAL	Anti- bullying	Anti-bullying
R.E	Christianity	Easter ( Christianity

As we move closer to the year 6 SATs the work will become ever increasingly revision based. Homework will be more personalised as the weeks progress in order to meet the needs of each child.

We understand that many children can become anxious and upset as SATs approach. Although we do expect the children to put in maximum effort at school and with homework, it is equally important that they get time to relax, play and enjoy the last year of Primary school. Please reassure your child that the year 6 team are here for them and any issues or worries that they have will be listened to and dealt with as best as we possibly can.

If you have any questions please feel free to contact us at school, preferably at the end of the day when there is more time to discuss any issues that there may be.

The Year 6 team

Mr Farnham, Ms Young, Miss Larder and Miss Huxter
