3rd March 2017

Dear Parents/Carers

On Wednesday, 8th March at 3.20 pm we will be holding a short meeting for Year 3 and 4 Parents/Carers about our current outdoor learning opportunities at St. Mary's.

The benefits of learning outside the classroom reach far beyond the academic learning, giving the children an opportunity to develop important life skills such as social, emotional well-being, building relationships, team work confidence, co-ordination and the ability to manage risks.

We will be discussing gardening, Forest School provision and the upcoming residential. It would be useful and beneficial if **ALL PARENTS COULD ATTEND.**

Please could you complete the slip below and return to the class teacher

Yours sincerely,

Helen Farmer

Headteacher
