

CYBER BULLYING

Welcome to the cyber bullying assembly.

You might not be sure what cyber bullying is, so we have put in a special assembly for this topic.

Cyber bullying can be on a computer or phone.

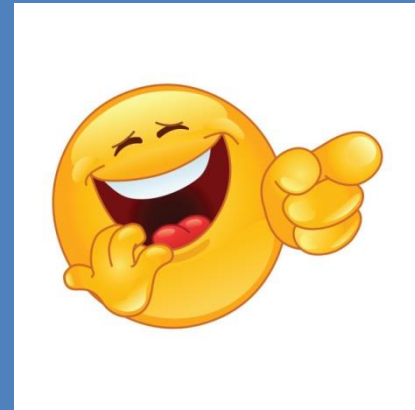

Don't talk to strangers only talk to people that you know. If you feel upset after an electronic conversation talk to an adult.

CYBER BULLYING

- Cyber Bullying

Is using a phone or computer to bully other people.

This can be using messages, Facebook, Instagram and other social media to upset and hurt other people on purpose.

HOW CAN WE HELP?

- By noticing if children are alone and unhappy
- Checking to see if they are alright
- Showing them how to get the help they need if they are being cyber-bullied
- Being friendly and caring

**ALWAYS TELL AN ADULT SO THEY
CAN HELP YOU AND SORT OUT THE
PROBLEM OR CONTACT A MEMBER
OF E-SAFETY.**

**OR: If you feel you need
more help call:
0800 1111.**
