

# The Minerva Learning Trust

8 October 2018

## Welcome from Clive Bath, Chairman, Minerva Learning Trust

Dear Candidate

Thank you for expressing an interest in becoming the Executive Principal in the Minerva Learning Trust. We are a Trust that works closely for the benefit of all the children in our care. We respect the culture and ethos of each of our schools and ensure we deliver a high quality education. The Trust is committed to supporting and developing our staff as we believe that highly motivated staff make a significant difference to the learning and wellbeing of children.

As the Executive Principal you will have responsibility for outcomes across the Trust. You will manage central services such as finances, ICT and HR issues and seek to further develop the Trust through the growth in the number of schools and the organisation of services so as to allow the Heads of Schools to focus on the core role of ensuring high quality teaching and learning in their school.

We welcome applications from Head teachers and educational specialists who have a proven track record of successful school improvement.

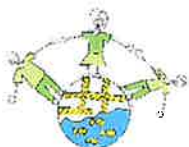

If you are ambitious and a strategic thinker who wants to be able to shape a pyramid based Multi Academy Trust then this is an exciting opportunity for you and we would be delighted to hear from you.

Yours sincerely

**Clive Bath**
