

This half term our topic has been 'Do you want to be friends'

We started with a tour of the school back in September. we met lots of the teachers and saw inside the different classrooms. The children though year 6 had very big tables and the library had lots of books for reading.

We moved on to look closely at our friends in class and get to know each other better and talk about what makes a good friend. We enjoyed stories such as 'Colin and Lee Carrot and Pea' and 'Lost and Found'.

Lastly we talked about friends in the community. We had a visit from our school nurse and our class governor as well as a very noisy and exciting visit from PCSO Pete Smith and his police car. The sirens were so loud we had to put our hands over our ears! We learnt lots about keeping safe and how to get help when needed. The children really enjoyed meeting Pete and were excited to tell me a few weeks later when they saw him at a Bridport event and could say Hello again.
