

Year 2 – Autumn Term 2018

Year 2 had a very fun afternoon in the allotment playing in a mud kitchen exploring different textures and identifying which soil would be best for different plants. We also made sand castles using the mud!

In November we went to Colfox and had a morning doing various sports activities there. Our class favourite was the catapult. We really liked meeting children from other schools.

Later on in November we went for a walk to the apple orchard to read 'Stanley's Stick'. On the way we played pooh sticks on the bridge and we also played some games when we got to the apple orchard.

Annie's Dad came in to do some story telling with us and he had lots of helpers to act out his story and everyone enjoyed getting involved with the words and actions.
