

## Year 2 Spring 2019 newsletter

Year 2 went to a hop and skip festival in our school hall. We really enjoyed skipping on our own, in pairs and some of us even tried doing double Dutch skipping! We were taught how to hold our skipping ropes properly and how to skip safely.

We went to visit Bridport library in book week. We had a tour around and even went into areas where the public are not normally allowed to go! We also had time to read some of the books and had a story read to us.

Also in book week, we dressed up as our favourite book characters. We had lots of different characters including: Where's Wally, Matilda, The White Rabbit, Stick man, The Worst Witch, Jack and the Beanstalk, Paddington and many more exciting characters!

We also had the fire service in which was really fun and we had a fantastic time doing different activities to help us learn how to keep ourselves safe when there is a fire.
